

H4 IR PTZ CAMERA

2 MP

1 MP

POWERFUL PTZ CONTROL WITH ADVANCED IR PERFORMANCE

The Avigilon H4 IR PTZ camera combines a powerful zoom lens with zoom-adaptive infrared (IR) technology to provide broad coverage and exceptional image quality in a range of lighting conditions. Choose either 1 MP with 45x zoom or 2 MP with 30x zoom, both supporting up to 60 frames per second, and see up to 250 meters (820 feet) in complete darkness. An abrasion-resistant front lens and optional built-in silicone rubber wiper helps to ensure clean, undistorted images even in adverse weather conditions.

LIGHTCATCHER™ TECHNOLOGY

Offers exceptional detail in low-light settings

360° CONTINUOUS ROTATION

Easily tracks targets with 360 degree endless rotation at up to 450 degrees per second

WEATHER & IMPACT RATED

IP66 weather rating and IK10 impact rating for vandal resistance

ZOOM ADAPTIVE IR

IR projection angle adjusts according to zoom and field of view

WIDE DYNAMIC RANGE

Captures details in scenes with both very bright and very dark areas

HDSM SMARTCODEC™ TECHNOLOGY

Combines compression technologies to maximize bandwidth and storage savings

SELF-LEARNING VIDEO ANALYTICS

Recognizes potentially critical events without predefined rules to help you detect, verify and act faster
